June, 2010

Dear Friends of RHS New Players,

EXCITING NEWS! We are happy to let you know that the New Players “Playbill” is back! We hope that you will support the New Players Company by designing your STAR a special page or simply placing a booster message in the “Playbill”. Your message will be seen throughout the year by more than 5,000 people when it is distributed at every performance, including those in the summer, and (new this year!) to Junior Company audiences.

This edition of the Playbill will feature 2 graduating classes. We bid farewell as the class of 2010 takes a final bow, and we welcome the class of 2011 as they take center stage!

New Players now engages over 175 students in all aspects of theater performance and production. Students serve as stage managers, directors of one-act plays and musical scenes, and Junior Company directors. They also work on set construction, painting, lighting, sound, costume and make-up. Repertoire includes classic and contemporary plays and musicals, in small and large ensembles. It is truly an entertaining and comprehensive theater experience! Advertising in the Playbill is a wonderful way to support the New Players – it will include photos and memories in addition to ads and boosters. The audience loves it, and so do the performers!

We hope you will be able to assist the theater program by filling out the attached contract and sending it in with payment and ad copy to the address below, any time between now and September 1st. **Checks may be made out to NPC Association.** All information is posted on the website, and if you have any questions, please email us address below.

Many, many thanks for your consideration.
